

## STATIONERY ORDERS FOR Grade 9– 2025

Dear Parents

Please see the stationery requirements for each subject below. **Parents may purchase stationery from any supplier**, although Treverton has set up a convenient order from SCOLA-TEK, Waltons and Speciality Papers.

**Orders placed at any supplier must be paid directly to the supplier and NOT to Treverton.** Please see the details regarding the order process for each supplier. Speciality Papers will be making the order available online for parents.

(<https://www.speciality.co.za/back-to-school-lists/>). Waltons have our lists on their site at [www.backtoschool.co.za](http://www.backtoschool.co.za)

These orders can be delivered directly to Treverton and distributed to the learners at the start of the new school year.

**Visual Arts requires that all parents order the Panda Art Bag directly through the Visual Art Department.** These bags contain enough materials to cover all creative projects and will be used into the students Grade 9 year. Due to the bulk order, the items are purchased at a better price and contain the correct materials needed for the Visual Art curriculum. If your child does not have a Panda Art Bag already please email Mrs Allen at [dallen@treverton.co.za](mailto:dallen@treverton.co.za) to order.

**There are a few items that must be purchased through Scola-Tec.** This is due to Scola-Tec being the only supplier who has the right instruments that we need, with the right quality. One of these items is a compass and will be used across multiple subjects, the remainder are used in Technology. Please only purchase these, if you have not already purchased them in Grade 8 or if you need to replace them.

A reminder: Parents could purchase the stationery required through any supplier they wish to use. The suppliers mentioned will pack a parcel for your child with all the ordered stationery. These packs will be delivered to the school and distributed to each child at the start of the new year.

Should you require any further assistance please contact me by email

Kindest regards,
