SNUGFIT

Sports Mouth Guards aim to protect teeth, prevent serious dental and facial injuries & **reduce the risk of concussion**. Store-bought mouth guards seldom fit properly or absorb shock adequately. Our **SNUGFIT** Mouth Guards are made of high quality EVA (latex free) and offer superior protection, are comfortable to wear, and enable easier breathing & speech. We can make them to fit over braces / fixed orthodontics.

Visit SnugfitMouthGuards.co.za or our Facebook page for gallery pics.

Please send completed form to sisters@treverton.co.za cc info@snugfitmouthguards.co.za

For queries: 083 251 7031 / 083 215 9515

Name and Surname of wearer:	
Contact number of parent:	
Contact email of parent:	
Logo on front of mouthguard (optional – no additional cost): <i>Except when fitted over orthodontic appliances, name is embedded inside mouth guards – not visible from front.</i>	Colour of mouth guard - please select <u>one</u>: <input type="radio"/> Blue <input type="radio"/> Purple <input type="radio"/> PINK <input type="radio"/> Green <input type="radio"/> Black <input type="radio"/> Clear <input type="radio"/> Yellow <input type="radio"/> White <input type="radio"/> Orange <input type="radio"/> Red
Costing: (Please select one):	
<input type="radio"/> R750 sports mouth guard (<i>ie where the wearer has no orthodontic / fixed braces</i>): Custom-fitted in a colour of your choice with name embedded inside and logo in front (no extra cost)	
<input type="radio"/> R850 for top only sports mouth guard <i>to fit over orthodontic braces</i> : Custom-fitted in colour of choice– <i>no name or logo, as this reduces pliability of the sports guard and may then interfere with orthodontic process. Please note: aggressive orthodontic processes WILL affect the fit of the mouth guard and may render it unsuitable eg new brackets / extending wires/ elastics</i>	
<input type="radio"/> R950 for top and bottom mouth guards <i>to fit over orthodontic braces</i> : Separate guards – top in colour of your choice, bottom clear - <i>no name and logo possible</i>	
<input type="radio"/> R900 – dual colour, gold, silver, translucent or shimmer mouth guard TOP ONLY	
<input type="radio"/> R950 – rubberised bite plate to reduce dental fractures from clenching	
<input type="radio"/> R1600 each for dental retainers for post orthodontic treatment	
<input type="radio"/> R1600 each for bleaching trays for home dental whitening (Excludes syringes)	

The above prices are inclusive of VAT. This amount will be deducted off my school account once the dental impression has been taken.
