

Treverton aims to appoint an experienced and dynamic individual to the position of

CREATIVE ARTS, STEM & TECHNOLOGY TEACHER

Grade 1 – 7

Starting 1 January 2027

Treverton is an independent evangelical Christian school situated on a unique 270-hectare campus in the heart of the KwaZulu-Natal Midlands. As the only independent, co-educational Preschool-to-Matric day and boarding school in the region, Treverton is recognised for its distinctive approach to holistic education, integrating academic excellence, Christian formation, and outdoor experiential learning.

Treverton seeks to appoint an innovative, creative and energetic educator to join our Prep School. This is a unique opportunity for an educator who enjoys inspiring children through making, creating, designing, problem-solving and discovering how things work.

The Role

The successful candidate will work across Grades 1–7 and will be responsible for:

- Teaching Visual Arts, developing skills in drawing, painting, printing, collage and recycled sculpture;
- Leading STEAM, robotics, coding and technology learning through Treverton's dedicated *Tinker Town* and *Design Den* spaces;
- Supporting research, information and media literacy through Treverton's two school libraries;
- Developing engaging cross-curricular learning experiences in collaboration with class teachers;
- Encouraging visual thinking, creativity, curiosity and practical problem-solving;
- Managing and developing the resources, equipment and learning environments associated with these portfolios;
- Contributing to exhibitions, competitions, Book Week and other events that celebrate creativity and learning.

The Ideal Candidate

The successful candidate will demonstrate:

- An appropriate teaching qualification recognised in South Africa and current SACE;
- A genuine passion for creative, practical and experiential learning;
- Strong classroom management, organisational and communication skills;
- Confidence in using technology and a willingness to explore robotics, coding and emerging technologies;
- The ability to work collaboratively across Grades 1–7 and with colleagues from different subject areas;
- Previous experience teaching Visual Arts, STEM/STEAM, coding, robotics or Technology will be advantageous;
- Previous experience in a primary school environment will be advantageous;
- A committed Christian who is an active member in good standing of a Christian church.

A willingness to participate enthusiastically in the broader life and ethos of the school is important.

Please submit a covering letter, comprehensive CV, and the names of three contactable referees (one of whom should be your church minister/pastor) via <https://forms.gle/bA955wkfSmuoSEu6A>.

CLOSING DATE: 15 September 2026

Only shortlisted candidates will be contacted for an interview. If you do not receive a response from us within one week of the application deadline, please consider your application unsuccessful.

Treverton College, in line with POPIA (Protection of Personal Information Act) will attempt to ensure the confidentiality of all applicants for this role. All reasonable measures will be in place to protect personal information, but it will be used in the recruitment, selection, and reporting process. By submitting your application for this position, you are recognizing and accepting this disclaimer.
